

Putaruru Community Hub
Bi-Annual Report July-December 2022

Outcome	Objective	KPI	
Funding	Funding is used to deliver activities agreed on against your application. To cover the living wage for an administration assistant at \$22.85 per hour at \$20hours per week for a period of a year.	No more than 5% variance on annual funding	At the time of this report, the hub had only just opened a bank account and is awaiting funding from council. Interviews for an administration assistant has occurred and an applicant has accepted the position to start in January 2023
Clear Plan	Develop a strategic Plan for the Putaruru Hub. Allow growth of the community hub	Increase membership across all clubs and have shared facilities and volunteers already in place.	A governance board was appointed and planning for the coming year will be discussed in the first quarter of the 2023 annual year
Culture	To encourage and support an engaged social community through the provision of our services and/or project	By assisting clubs to increase membership and or interest we are engaging our community and visitors to our town	The Hub had an engagement morning booked in November , however there was little interest from community with other commitments. Looking to re-engage with existing founding members and gather the remaining community groups to show them how the hub is progressing and what is
Diversity	To create an environment of inclusion of all across and within our community. Shared facilities, shared members, an easily accessible website for visitors and locals and a happy, healthy, active and involved community		See below regarding website.
Innovation	Focus on improving the regions infrastructure through innovation and the development of new ideas	Create a culture of community that some clubs may be able to share facilities or help facilitate funding to	The Pūtaruru Hub is yet to enter in any plans for shared infrastructure apart from those already in

		improve the facilities already in place.	operation (Football Club using rugby clubroom facilities)
	Create new ideas and imitative to benefit and inspire the community	Creating a website that will have real time, live access to the event that are being held, and help each club keep in touch with each other	The Pūtaruru Hub has engaged with Sporty to develop an online portal. Currently working with the founding members for logos and photos for initial set up.
Safety	Work with appropriate council staff to identify potential capital works/development	All building warrant of fitness standards are complied with. Update Council with maintenance and capital development actions on a quarterly basis	The Pūtaruru Hub is yet to enter in any plans for shared infrastructure.
