Wastewater Consultation Hearing

Notice is hereby given that a public hearing and deliberation, following the consultation period for the wastewater consultation process, will be held on Thursday 13 December commencing at 9.00am in the Council Chambers at the South Waikato District Council Office in Tokoroa.

One submission was received and will not be speaking to the submission. Council will therefore commence deliberation.

The public is welcome to attend.

Solid Waste Options - build a new cell or transport waste out

The consultation period for the future of our Solid Waste opens on Wednesday 5 December 2018 and closes on Thursday 31 January 2019. Copies of the consultation document and submission forms are available from the Council offices in Tokoroa and Putāruru, Tirau i-SITE (the Dog) and Council's website www.southwaikato.govt.nz - Say it (orange buttons on the right).

Council appreciates that consulting over the Christmas period is not ideal, however the decision regarding which option to take needs to be made early in the New Year; so Council is opening consultation for a longer period than normal.

Submissions can be made:

- Online via Council's website www.southwaikato.govt.nz – Say it (orange button)
- In hard copy mailed to Freepost Authority Number 201, Solid Waste, South Waikato District Council, Torphin Crescent, Tokoroa 3420 or hand delivered to Council offices in Tokoroa and Putāruru or the Dog in Tirau.

If you wish to be heard, a date and time will be arranged with you. Please remember to include the following in your submission: name, address, phone number and/or email address and whether or not you wish to be heard (if applicable).

Please direct all queries to Ted Anderson or Andrew Pascoe on 07 885 0340. This notice is published pursuant to Section 82 of the Local Government Act 2002.
