

INFORMATION

If you would like to know more about cemeteries in our district, contact:

South Waikato District Council

Tel: 07 885 0340

or visit our website: www.southwaikato.govt.nz

The cemeteries are open to the public seven days a week, between the hours of sunrise and sunset.

Burial plots are available adjacent to permanent concrete berms which are provided for the placement of memorials.

Ash plots are also available for cremated remains. These also have space on the berm for a memorial.

All plots except those in the RSA section may be reserved for future use. A fee to reserve a plot is required at the time with the sexton's fee payable at the time of the interment.

All of our cemeteries are Lawn Cemeteries.

In lawn cemeteries the following conditions apply:

- Following a burial service, graves will be left mounded for 90 days, then will be levelled and re-turfed back into lawn. If you would prefer to have the grave levelled prior to the 90 day period please contact the Council.
- Once the grave has been levelled and re-turfed, items are permitted to be placed on grave areas to a maximum length of one metre from the concrete berm only. Each individual item is to be no less than 50mm in size and be easily removed for cemetery operations where deemed necessary. No hard materials such as concrete, timber edging or pavers are permitted.
- Items (other than glass receptacles) can be placed on the concrete berm around the headstone area. Items should be limited in number so as not to encroach adjoining plots.
- Breakable jars, vases or receptacles must not be used as flower containers.
- Adornments must not inhibit the proper maintenance of the Cemetery or other graves.
- The planting of any shrub, tree or groundcover is not permitted in any plot.
