

A QUICK GUIDE TO YOUR BINS/CRATES

RECYCLING BIN (240L)

You can use your recycling wheelie bin (yellow lid) for all mixed recycling (except glass).

- Clean recycling only
- No lids
- Flatten/fold/crush
- Don't use bin liners

Recycling collection is fortnightly.

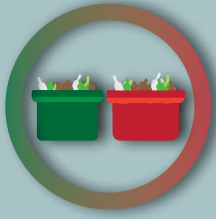

RUBBISH BIN (120L)

Your rubbish wheelie bin (red lid) is for rubbish that goes straight to landfill and should be the last resort for any household material that can't go in the recycling wheelie bin or glass recycling crates; or your compost heap!

GREEN AND MAROON CRATES

Your green and maroon crates are ONLY for glass recycling. Glass bottles and jars need to go in your crates, not your yellow wheelie bin. No lids. Please clean and rinse.

Place crates alongside the recycling bin on your recycling day.

TOP 5 RECYCLING TIPS

- Plastics 1s, 2s and 5s only.
- Clean, wash, rinse. Dirty products contaminate recycling.
- Remove all lids, caps, tops and put in the rubbish.
- Flatten and fold. Un-flattened boxes take up too much space!
- If in doubt, chuck it out... in the rubbish!
