- 13.2. Any person desiring to keep three or more dogs on any property in the urban area shall make written application to the Council for a permit and shall pay such permit fee to the Council as the Council shall prescribe by resolution publicly notified from time to time.
- 13.3. The applicant shall provide to the Council such information as the Council may require relating to any application made under this Clause.

- 13.5. Any person so notified may object in writing to the application and shall send such objection to the Council so as to be received not more than seven days after a copy of the application has been received by that person.
- 13.6. Any permit issued under this Clause shall be made subject to such conditions as the Council, or any Committee of the Council authorised in that behalf, considers appropriate.

- 13.9. The permit shall record the details of each dog included in the permit and the permit shall not be transferable in respect to location, breed of dog or the permit holder, provided that the substitution of a dog with another dog of the same breed shall not require a further application.
- 13.10. Where an application for a permit is declined, or is issued subject to conditions, the applicant may apply in writing to the Council for re-consideration of the application and the decision of the Council, upon such re-consideration, shall be final.
- 13.11. Such fees shall accompany any application for re-consideration as the Council may, from time to time, prescribe by resolution publicly notified.
- 13.12. Where a permit to keep more than two dogs has been issued and there is evidence, to the satisfaction of the Animal Control Officer, that the conditions of the permit are not being complied with, the Permit may be revoked or amended.
- 13.13. Where the Council resolved to revoke or amend a permit after its determination according to Clause 13.12 of this bylaw, the owner shall comply with such revocation or amendment, as the case may be, within seven days of receipt of written notice of such determination.
