THE APPLICATION:

Loose Goose Café Restaurant & Bar Limited has filed an application pursuant to s.127 of the Sale and Supply of Alcohol Act 2012 for an On-licence renewal in respect of the premises situated at 7 Main Road, Tirau and known as Loose Goose Café Restaurant & Bar.

The applicant is a company incorporated under the Companies Act 1993 on the 23rd of May 1996.

The business is an established Restaurant.

There will be three certified managers employed on the premises

The applicant seeks the following hours:

- Monday to Sunday 10:30am – 1:00am (the following day)

The application was publicly notified and no objections were received.

REASONS FOR THE DECISION

The application is complete and contains all the supporting documents as required under s.127 of the Act.

When considering the criteria for the renewal of licenses as contained within Section 131 of the Act, the Committee must have regard to a number of issues. These include;

- (i) Purpose and Object of Act
- (ii) Suitability of the applicant
- (iii) Other information considered in respect to criteria in section 131 of the Act;

In deciding whether to renew a licence, the licensing committee concerned must have regard to the following matters:

- I. the matters set out in paragraphs (a) to (g), (j), and (k) of section 105(1):
- II. whether (in its opinion) the amenity and good order of the locality would be likely to be increased, by more than a minor extent, by the effects of a refusal to renew the licence:
- III. any matters dealt with in any report from the Police, an Inspector, or a Medical Officer of Health made by virtue of section 129:
- IV. the manner in which the applicant has sold (or, as the case may be, sold and supplied), displayed, advertised, or promoted alcohol.

The Inspectors report is both comprehensive and positive.

There is no question as to the suitability of the applicant.

There is nothing in that report to suggest that the applicant has managed the Sale and Supply of Alcohol in an inappropriate manner during the currency of the Off-licence.

In this matter I believe that the criteria under Section 131 of the Act have generally been met given that:

- (i) The Inspector has provided a positive report,
- (ii) The relevant agencies have not objected to this application;
- (iii) The application has drawn No Objection from the public,
- (iv) The applicant has managed the Sale and Supply of alcohol appropriately during the currency of the licence.

- The Licensing Inspector does not oppose this application;
- Neither the Police nor the Medical Officer of Health have objected to this application;
- The Fire Risk Management Officer does not oppose this application;
- The premises meets the requirements of the Resource Management Act 1991;
- The premises meets the requirements of the Building Code;
- The premises is "undesignated", this is appropriate for this type of business;
- Currently the South Waikato does not have a Local Alcohol Policy.

Overall I am satisfied as to the matters to which we must have regard as set out in s.105 and s. 131 of the Act.
